July 26 Meeting

Guests this morning were Ben Tran from the Key Club... and the premier square dance caller of North Florida, the right honorable Bill Chesnut from the Gainesville Club (and unofficial member of ours).

Miss Tina dispensed attaboy/girls for the Lawson Shaw Road show participants (a.k.a. an interclub) to the Azalea

City Club in Pull-at-Key.

(note: we do Terrific Kids programs in two of Azalea Club's schools ... Melrose and Ochwilla. Our delegation requested some \$\$ from their club...which was met with their usual shoe-gazing. But we do it anyway as the Kids deserve it).

Nell reported on the Community Church's annual Back To School program, and related that a 12 year old girl was there, brought by her grandmother, wearing broken shower shoes, and mismatched worn out socks. A good reason to keep our charitable dollars in Keystone for Keystone's kids! Several Kiwanians helped out this year. The Church accepts clothing donations throughout the year, to be given to kids before they head back to school.

We are collecting school supplies for the next two weeks....these will be given to teachers at McRae School (Community School next time) to give to children who need them. Bring them to the first two meetings in August.

Tina reported that the Clay County Sheriff brought a Hummer for the kids to see at a recent Seeds of Grace community event. The shelter, that we contributed grant monies to help build (on land donated by Club member Jude), has become a community gathering place, with programs every Wednesday.

Smitty says that the Hampton Veterans Memorial Fund will be having a chili cookoff contest with live music on October 13. This is to erect a memorial at KHHS for fallen warriors who attended the school. We voted to donate \$100. Steve's band, "Bubba Can't Dance" is one of the bands. More details later.

Scott threw a \$2 bill into the Happy Dollar bucket....he had received an emergy text from John Ward, Clay County's Emergency Management head, about a skeeter that tested positive for West Nile on Pecan Street in Keystone. The City's Mayor, Karen Lake, did a FaceBook PSA and the County delivered door hangers to homes in the vicinity with suggestions to wear deet and long clothes. Spraying was done and the threat has passed.

Steve won the "Bear" drawing but pulled a non-joker from the deck. The Bear is sitting on \$556....27 cards left in the deck.

Board of Directors News:

The Board voted to contribute \$250, each, to our two delegates to the District Convention. This was already in the budget and is to partially cover registration, gas and room costs. DarbyAnn and Debbie will attend and represent the Club.

The Christmas parade was discussed. The concern was poor lighting at the end of the parade and that the State may not allow the closure of Hwy. 21 in the future. Discussion to continue.

As we have already earned our interclub “Round Robin” award for 2017-18, thanks to Lawson’s guidance, we will take August and September off and resume in October. Contact will be made with Lt. Governor Joe to see how we go about getting the banner patch.

Interclubs and Division Council Meetings:

The next Division Council Meeting (DCM) will be in High Springs, hosted by the Santa Fe Club, on

September 13. High Springs Civic Center.... 6:00 PM....hosted by the Santa Fe Club. A sign-up sheet is being circulated.

Terrific Kids is on Summer Vacation.
