Member News

Tony’s grandchild Addie is 4. In honor of her gender he will be hiring his first female employee...an ex-Marine. The mind boggles and the double and single entendres continue.

Bill has another medical challenge. Rosemary is home from rehab.

Andre, Nell and Steve have been coordinating web page updates...it is looking good. Pay a visit at www.lakeregionkiwanis.org

We were saddened to learn of the untimely departure of Chris Carson from the newsletter and his ultra-corny jokes, puns and general annoying nonsense. Seems one of his suspenders broke....and this is a kid-oriented club after all. Once he visits his

haberdasher

he will be back (maybe).

June 28 Meeting

Guest this morning were incoming Key Club officers Emily Stager and Wyatt Hopkins.

Tina gave Atta-Boy/Girls to Carlton and Nell for taking over the flag project and to Hank and Mary Ann for doing a great job with the program. This is a consistent under the radar fund raiser for the Club. We bought the AmericanFlags and put them out on certain holdays....mainly businesses but residences can participate, for an annual fee.

Emily and Wyatt said that Key Club will be helping with the parade and are putting together a program to present to our Club.

Smitty gave a report about our recent Inter-Club with Starke. Their Club's speaker was a person who is organizing a food program in Columbia County to feed the needy. Smitty will have this person speak to us. The program could augment the LAM food bank and would be similar to the "pack-a-sack" program that McRae School participates in.

Mary Ann said we got a \$500 check from the City of Keystone Heights to help with the cost of hiring sheriff's deputies for the parade. She said we are sending \$90 for the "Wreaths Across America" program to buy 9 wreaths. Mary Ann also reported that the net profit from the 5K "Kolor Run" was \$3732.97. Great job Nell, Carlton and Patricia and the whole crew.

The new "official" club T-Shirts are in and being distributed to members. These are to be worn at Kiwanis events. The Club voted to not charge members for them because these are our "work" shirts and not suitable for formal events such as dog fights, proms and the Mayor's Ball. They can be charitably called "school bus yellow"

The Bear started the day with \$448 in his Hunny Pot. Sam won...then lost when she drew the 6 of clubs. The pot goes up and the number of cards in the deck goes down.

Somebody will deflate that Bear's belly and leave Johnny's with ½ of the stash.

Board of Directors News:

The Board discussed a possible problem in getting enough sheriff's deputies to attend the parade. Several ideas were floated (pun alert!). Tony will be in touch with the Sheriff and perhaps other agencies. In the meantime, we are consulting another Sheriff for further ideas.

Interclubs and Division Council Meetings:

We have met our Inter-Club "Round Robin" requirement for '17-18 thanks to Lawson's efforts.

We have visited every other club in Division 4 at least once. Next up will be one of the Palatka Clubs.

The next Division Council Meeting (DCM) will be in High Springs, hosted by the Santa Fe Club, on September 13. Details later.

Terrific Kids is on Summer Vacation.
