## Barry's important rules to live by...

1. Never, under any circumstances, take a sleeping pill and a laxative on the same night.
2. If you had to identify, in one word, the reason why the human race has not achieved, and never will achieve, its full potential, that word would be "meetings."
3. There is a very fine line between "hobby" and "mental illness."
4. People who want to share their religious views with you almost never want you to share yours with them.
5. And when God, who created the entire universe with all of its glories, decides to deliver a message to humanity, He WILL NOT use, as His messenger, a person on cable TV with a bad hairstyle.
6. You should not confuse your career with your life.
7. No matter what happens, somebody will find a way to take it too seriously.
8. When trouble arises and things look bad, there is always one individual who perceives a solution and is willing to take command. Very often, that individual is crazy.
9. Nobody cares if you can't dance well. Just get up and dance.
10. Never lick a steak knife.
11. Take out the fortune before you eat the cookie.
12. The most powerful force in the universe is gossip.
13. You will never find anybody who can give you a clear and compelling reason why we observe daylight savings time.
14. You should never say anything to a woman that even remotely suggests that you think she's pregnant unless you can see an actual baby emerging from her at that moment.
15. There comes a time when you should stop expecting other people to make a big deal about your birthday. That time is age eleven.
16. The one thing that unites all human beings, regardless of age, gender, religion, economic status or ethnic background, is that, deep down inside, we ALL believe that we are above-average drivers.
17. The main accomplishment of almost all organized protests is to annoy people who are not in them.
18. A person who is nice to you, but rude to the waiter, is not a nice person. (This is very important. Pay attention. It never fails.)
19. Your friends love you anyway.
20. Remember that a lone amateur built the Ark. A large group of professionals built the Titanic.

## **July 29 Meeting**

**Our guest this morning was Tina Baker. She has been helping/mentoring kids at the ongoing BOOST camping event at Camp Montgomery. She said this week has been challenging but rewarding. She helped identify the kids/campers working with social workers. The kids are going into 7<sup>th</sup> or 8<sup>th</sup> grade.**

**Tina Baker and Monica said that in addition to having fun (tubing, swimming, games, scrap booking) the kids have been getting some counseling and have bonded with each other. We discussed ways to help the kids in the future. One suggestion was to get them involved in Builders Club.**

**Atta boys/girls (minus candy that bugs got into according to president Todd) went out to all that are helping at BOOST, the Christmas in July pet food giveaway, and went to the Clay school district forum this past Monday.**

**We voted to donate \$100 for a boy that is having heart surgery.**

**Lawson won both the “regular” 50/50 and the Bear ticket drawing. There were 8 cards left in the deck. The boy drew the 4 of clubs. The joker (and the bear) abide.**
