## **Member and Community News**

**We heard that Todd and Debbie picked up a dose of covid while on vacation...our thoughts and prayers are with them!**

**John Raimer from Camp Montgomery will be joining the Club. He shared that the sanitized version of his nickname when he worked for GRU was "Buff"....not because he was running marathons...."Big Ugly Fat Fellow". We are surmising that "Fellow" wasn't the actual nomenclature.**

**We learned that member Monica is leaving Camp Montgomery for other opportunities. We thank her for**

all she has done for the Club and community, wish her well, and hope she stays involved with Kiwanis!

**ROY!**

**Roy seldom brings up matters that will offend political sensibilities....today he makes an exception....**

**It is now Halloween season, so Roy says parents must be on alert for threats to our children. This year, make sure to carefully check your kids' candy before they eat it, being especially on the lookout for vaccination needles.**

**The COVID-19 vaccine has not yet been approved for children, but some gomment and CDC types may try to vaccinate kids anyway by hiding needles inside the candy. If your children receive candy from anyone wearing a mask—like the paper ones, not werewolf masks—you need to be very cautious of the candy they receive.**

**Signs of a vaccine would be a needle sticking out of a candy bar. Also, there could be a label on it, such as “Pfizer Edible.” You may also find some Reese's Peanut Butter Cups in your children's candy; these aren't a threat, but take a few for yourself, because checking candy is hard work.**

**And speaking of treats....The Bear says**

**October 7 Meeting**

**Skinny turnout this morning....Tina B is at some sort of school-related convention and the Beals are out sick. Roy was M.I.A.**

**We had two new members filling out apps this morning....Kathy Rothstein and Jessie Shekels. Jessie is the founder of "Twisted Oaks**

**Rescue” and Kathy helps out there. Welcome!! Jessie is already working on a project...helping Keith with the golf tourney publicity.**

**Speaking of Twisted Oaks, Jessie says that they are always doing fund raisers to donate pet food and all that they do. Her mother, Karen Rehn, is doing portraits of pets. \$58. Just provide her with a few pictures and she will have the portrait done in a couple of weeks. [artbykarenrehn@gmail.com](mailto:artbykarenrehn@gmail.com) Also, Twisted Oaks will be expanding their facilities by acquiring a house next door.**

**Fred Goetzman is Kiwanian of the month for September. He has been “hitting the streets” signing up sponsors for the golf tourney and just being Fred....always helping when asked!**

**Hank and Mary Ann will get the candy for our “Boo on the Boulevard” table.**

**Santa Claus has a new suit in anticipation of a busy Christmas season....he'll be lookin' sharp! He is coordinating his efforts with Melrose's Santa ( yes Virginia, there are two Santas) to set up a mail box where kids and their parents can drop off letters to Santa. Last year Santa helped out 7 families to make their Christmas**

**bright....he thinks there will be 15 or so this year.**

**With all that is going on, the “Taste of the Lakes” has been pushed back to maybe Valentine’s Day 2022. Maybe a dance out at the RV park? Steve, Fred and Keith will give dance lessons.**

**Atta Boys/Girls went to Fred, Mary Ann and Hank,Tina B.,Tina S., Keith and Patricia for attending the Sheriff’s Night Out held at the beach.**

**Keith brought us up to date regarding the golf tourney. We need silent auction items....contact Debbie Beals with items to donate.**

**Tina S. won the Bear drawing....and drew the queen of diamonds. The Bear continues to guard his hunny pot.**
